Sanctions the Revision of Scales of Pay of the Steno-typists and Typists of the Several Departments.

READ—

Government Order No. Fl. 2010-70—S. & A. 25-47-6, dated 21st September 1947, sanctioning revision of scales of pay of the Non-gazetted employees in the several Departments of Government.

2. Government Order No. Fl. 2682-2741—S. & A. 25-47-20, dated the 14th October 1947, issuing further instructions in the matter of fixing the initial pay in the revised grades.

ORDER NO. FL. 3966-4035—S. & A. 25-47-45, DATED BANGALORE, THE 16TH JANUARY 1948.

In the Government Order of 21st September 1947 read above, it was directed that "In the case of Steno-typists and Typists, the Heads of Departments will examine the needs of their Departments and fix up with the approval of Government the number of Steno-typists actually required for attending to dictations or reporting. The Steno-typists whose number is thus limited will draw a grade pay of Rs. 75—5—150 provided they are qualified in Senior Typewriting and Senior Shorthand. Those who have passed Proficiency Examination in Shorthand may be given the grade pay of Rs. 100—10—200. In all other cases where the Steno-typists and Typists are merely required to attend to typing work, they will draw the grade pay of clerks, *viz.*, I Division if they are graduates, and II Division if they are S.S.L.C.'s. The existing scales of allowances fixed for Typists and Steno-typists according to their qualifications will continue, except in the case of Stenographers of the Special Branch of the Police Department where the allowance has been enhanced to Rs. 30 per mensem."

On further consideration, the question of revision of scales of pay of Steno-typists and Typists has been re-examined and it is seen that the existing system of allocating the Typists and Steno-typists in the clerical cadre and granting them allowances is not workable as the promotions to higher grades in the clerical cadre would require general academic qualifications and the experience in the clerical line, passing of Departmental Examinations also. In order to remove the present anomaly, Government consider that there should be separate cadres for Typists and Steno-typists and they are pleased to issue the following orders in modification of the previous orders:—

The Steno-typists and Typists in all Departments will be classed into two grades as under:—

(1) Rs. 75—5—100—10—150/E. B. 10—200	...	... I Grade
(2) Rs. 45—3—60—4—100	...	... II Grade
